

## CURRICULUM VITAE

**Colin Erridge Barch, DipArch, RIBA**

**Area of Responsibility:** Partner

### EXPERIENCE:

I have worked with PKS since 1994 on a wide range of projects from inception and feasibility studies through to completion including residential developments, houses for private clients, historic building work and commercial projects. Previously, I worked with GHK, a medium size practice specializing in historic building and conservation work.

Particular projects for which I have had responsibility:

#### Residential

- **35 Oval Road** – 171 residential units and office space in Primrose Hill
- **The Collection, Boundary Road** – 15 large, very high spec houses in St. John's Wood.
- **63 West Heath Road** – 7 large high spec apartments in Hampstead.
- **Hall Road** – 39 high spec loft apartments in St. John's Wood.
- **Heathview Court** – 48 apartments in Hampstead Garden Suburb.
- **Queen Elizabeth College Campus** – conversion of college building to luxury residential apartments.
- **Kingdon Road** – development of 11 housing association flats.

#### Commercial

- **42 Gloucester Avenue** – mixed development of office, residential and retail in Primrose Hill.
- **Uxbridge Business Park** – refurbishment of two listed buildings as office space.

#### Other

- **305 Elveden Place** – new factory unit producing ready-made meals
- **Kensington Palace** – installation of fire alarm system
- **Palace of Westminster** – refurbishment of speaker's quarters
