

CURRICULUM VITAE

Graham Fensome BSc (Hons) Arch, DipArch

Area of Responsibility: Associate

EXPERIENCE:

I have worked in construction for over 20 years but I have only been with PKS since 2007, where I have been responsible for a range of projects from inception and feasibility studies through to completion. These projects have mainly covered residential developments.

I have previously worked with a number of practices from very large corporate companies such as Aedas to small or medium sized offices such as JCMT Architects and covered a number of building types including, housing association work, educational, commercial, health and historic.

Particular projects for which I have had responsibility include:

Major Residential

- **Caledonian Road** – 200+ residential units in the Kings Cross area of London.
- **Hale Village** – Two blocks containing 84 private flats in North East London.
- **Whitmore Estate** – Estate regeneration in East London.

Luxury Residential

- **Telegraph Hill** – 4 new build / refurbished houses in Hampstead London.

Educational

- **Church Mead School** – A New Primary School in East London.
- **Voyager School** – A new build secondary school in Peterborough.
- **Sutton School for Girls** – A new science lab wing to an existing 1960's building.

Other

- **Apex Plaza** – Refurbishment of an existing atrium to a 1980's office building to make a social hub.
- **Notting Hill housing trust work** – Improvements to existing properties.
- **Tower of London** – Recording of historic fabric.
- **King Edward VII hospital** – New wing to an existing private hospital.
