

## **CURRICULUM VITAE**

**Glyn Lloyd-Jones**

**Area of Responsibility: Project Architect, CAD & I.T. Manager**

### **SUMMARY OF EXPERIENCE**

Glyn Lloyd-Jones first joined PKS as a part I student in between completing his degree and diploma at the University of Nottingham. Subsequently he completed his RIBA Part 3 with the practice and registered with the ARB. In 2009 he was appointed CAD Manager and later took on additional responsibility with the I.T. infrastructure and direction in the practice.

Glyn has been involved in a wide range of projects, covering all RIBA work stages, from initial concept / feasibility through to completion. He has significant experience in the project architect role but specialises in feasibility and planning stage work. The main areas of work include single private dwellings and larger office developments.

### **Projects include:**

- **Kidderpore Avenue, London NW3** – mixed development of student, private and affordable housing in a Hampstead conservation area
- **66 The Bishop's Avenue, N2** – major private residence of 60,000 sq ft
- **44 Gloucester Avenue NW1** – mixed development of office, residential and retail in the Primrose Hill conservation area
- **Salisbury Road UB2** – mixed tenure housing development in Southall
- **Erskine Road NW3** – office refurbishment and extension approx 35,000 sq ft in the Camden conservation area
- **43 Belsize Lane NW3** – private development in the Belsize Park conservation area. Demolition, basement excavation and rebuild of high quality private residence of approx 2,800 sq ft
- **79 West Heath Road NW3** – two maisonette speculative development on the West Heath Road.
- **PKS Website** – created brief, redesign and population of the new PKS website.
